

2025 LSAS

AEROSPACE & DEFENSE WORKSHOP

Enabling Secure Space Missions in the Age of Counterspace—
Integrating Advanced Commercial Solutions around Earth to Moon

Start	End	min	Topic	Speaker
9:30	9:35	5	Opening Remarks	Ms. Yoshiko Takahashi COO LSAS Tec
9:35	9:40	5	Special Remarks	Mr. Christopher Priddy U.S. Embassy Tokyo Commercial Attaché
9:40	10:10	30	Keynote Address <i>Accelerating Space Innovation from Earth to Mars Through Private Sector Activities</i>	Mr. Kevin O'Connell Former U.S. Department of Commerce Director of the Office of Space Commerce Founder and CEO, Space Economy Rising
10:10	10:40	30	Keynote Address 「我が国の国家安全保障における宇宙利用の現状と動向」 <i>Current Status and Trends in Japan's Use of Space for National Security</i>	Dr. Hirokazu Hokazono Director of Japan Institute for Space and Security Former Deputy Commissioner and Chief Defense Scientist of ATLA, JMoD
10:40	10:50	10	Coffee Break & Exhibition	
10:50	11:20	30	LSASが目指すSDA能力の充実 SSA/SDAにおける統合ソリューション <i>LSAS's Vision for Strengthening SDA Capabilities: Integrated Solutions for SSA/SDA</i>	Mr. Yosuke Yamamoto Director and Executive Officer LSAS Tec
11:20	11:40	20	Developing the Workforce of the Future	Mr. Greg Gillinger Senior Vice President for Strategy & Development Integrity ISR
11:40	12:40	60	Lunch Break & Exhibition	
12:40	13:10	30	Keynote Address 「防衛宇宙利用をめぐる環境の変化— 「軌道戦」時代到来の兆し」 <i>Evolving Environment of Defense Space Applications: Signs of the Coming Era of "Orbital Warfare"</i>	Dr. Yasuhito Fukushima Associate Professor Faculty of Policy Management, Graduate School of Media and Governance Keio University
13:10	13:20	10	Coffee Break & Exhibition	
13:20	13:40	20	Enhanced Space Domain Awareness from LEO to Cislunar	Mr. Thierry Balanche Sales Director, Satellite Communication & Situational Awareness Safran Data Systems
13:40	14:00	20	SATCOM-SAとシスルナSDA <i>SATCOM-SA and Cislunar SDA</i>	Mr. Hisaaki Sasaki Executive Expert MCC Corporation
14:00	14:20	20	Expanding Space Surveillance through International Collaboration	Dr. Marco Rochetto CEO Spaceflux
14:20	14:40	20	Dynamic Space Operations in the Age of Counterspace: Enhancing SSA Across GEO	Dr. Douglas Hendrix CEO ExoAnalytic Solutions, Inc.
14:40	14:50	10	Coffee Break & Exhibition	
14:50	15:10	20	Revealing On-Orbit Behavior: From Observation to Insight	Mr. Paul Graziani CEO COMSPOC
15:10	15:25	15	SDAセンサーデータの統合処理技術 <i>New Technology for Automated Processing of Raw Satellite Tracking Data</i>	Mr. Timothy Glinski Senior Expert LSAS Tec
15:25	15:35	10	Coffee Break & Exhibition	
15:35	15:55	20	月とシスルナ空間： 経済・安全保障・技術の交差点 <i>The Moon and Cislunar Space: The Intersection of Economy, Security, and Technology</i>	Mr. Hideari Kamiya EVP, Business Development ispace, inc.
15:55	16:05	10	シスルナ空間の課題解決に向けた ミッションエンジニアリングの実践 <i>Applying Mission Engineering to Address Challenges in the Cislunar Space</i>	Mr. Yuki Miyara Mission Engineer LSAS Tec
16:05	16:25	20	持続可能な宇宙環境の実現を目指して <i>Advancing On-Orbit Servicing and Space Sustainability</i>	Mr. Hisashi Inoue Vice President, Chief Engineer Astroscale Japan
16:25	16:45	20	官民合同による日本型 ミッションエンジニアリングへのアプローチ <i>A Japan-Style Mission Engineering Approach through Public-Private Partnership</i>	Mr. Yusuke Sawaguchi Aerospace & Defense Technical Account Manager ANSYS Japan
16:45	17:05	20	Advancing Geospatial Visualization for Government Missions	Mr. Danny Williams Director, Business Development & Sales Operations Cesium
17:05	17:20	15	Janes & LSAS Interconnected Trusted Intelligence for Confident Decision-Making	Mr. Martijn Ras Leader for Strategic Partners & Ecosystem for the EMEA & APAC regions Jane's Group UK Limited
17:20	17:30	10	Closing Remarks	Mr. Eiji Takahashi CEO LSAS Tec
